

STUDENT TESTIMONIALS
PROFESSOR JUDYIE AL-BILALI

TH298 - PERFORMANCE & RESEARCH

Fall 2015

Glenn and Judyie are so good at what they do. They offer great ways to create and learn at UMass.

Judyie's passion for the subject and her fiery personality make the class engrossing and endlessly intriguing.

Judyie is the most energetic professor I have had on campus. She brings such a positive energy into the room and motivates students to work harder.

Great class!

This course is awesome. It's an opportunity to understand ourselves better.

Fall 2017

This was the class I looked forward to the most every week. Judyie is a wonderful teacher who gives everyone the stage they deserve, as well as being extremely knowledgeable about theater. She was always so helpful in and out of the classroom

Judyie creates a safe environment when teaching, which has allowed many students to have open dialogue on heavy subject matter in class.

The class was amazing. The experience as incredible. The teacher supported each and every one of her students.

Professor Al-Bilali inspired very engaged, deepening discussion with the questions she asked us to consider through the course assignments. I learned more than just what the course offered on a surface level--I learned how to really chew on issues of race and privilege and how to listen to my classmates in an eye-opening way, even when I disagreed with them. Discussions were definitely some of the most productive aspects of the course.
